ORDER OF THE BOARD (by M. Nardulli):

This matter comes before the board on an April 17, 1992 joint motion to extend the hearing date in this matter until the week of August 24, 1992. The motion asks that the Board vacate its April 9, 1992 order which directed that the hearing officer set this matter for hearing by May 11, 1992.

The parties assert that a waiver is on file with the Board until October 30, 1992. Additionally, the parties assert that they will not have time to adequately prepare for and attend the hearing in accordance with the Board order. Finally, the parties have consulted with the hearing officer, and a hearing can not be scheduled until the week of August 24. Therefore, the Board will reconsider its order of April 9, 1992, and the Board will vacate the order setting this case for hearing. The Board directs the parties to submit a status report to be received by the Board no later than June 15, 1992. The Board notes that the June 15, 1992 date will allow the Board the time necessary to hold a hearing prior to the October 30, 1992 decision deadline, if a hearing is necessary. If petitioner chooses to waive the Board's decision deadline for a suitable period, the hearing officer will be authorized to schedule the hearing for the week of August 24, 1992.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 23rd day of April, 1992, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
