

BEFORE THE ILLINOIS POLLUTION CONTROL BOARD
January 20, 1994

IN THE MATTER OF:)
)
PETITION OF CONVERSION SYSTEMS,) AS 93-5
INC. FOR ADJUSTED STANDARD) (Adjusted Standard)
FROM 35 ILL. ADM. CODE)
PART 811 (MONOFILL))

ORDER OF THE BOARD (by M. McFawn):

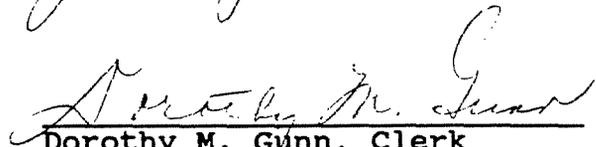

On January 14, 1994, the Agency filed identical motions in AS 93-4 and AS 93-5. These are motions to withdraw and substitute appearances, and for an extension of time in which to file an Agency response. The motion recites that petitioner has no objection, and will not file a response, to these motions.

The Agency's response in these cases was due to be filed on or before September 25, 1993. The motions state that the attorney originally assigned these cases has left the employ of the Agency. However, the Agency has conducted a technical meeting with the petitioner, and has repeatedly consulted by telephone with petitioners experts and attorney. The Agency has sent a draft response to Petitioner and is awaiting a reply. The Agency and Petitioner are scheduled to meet and discuss their respective positions on January 19, 1994. The Agency expects to be able to submit a response to the Board promptly after January 19, 1994.

The Agency's motions are granted. The Agency response is now due to be filed on or before February 18, 1994.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 20th day of January, 1994, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
