ORDER OF THE BOARD (by E. Dunham):

This matter is before the Board on its own motion. On August 11, 1994, the Board ordered both parties to file a status report by November 21, 1994. Neither party has complied with the Board order. The Board directs both Spraying Systems Company and the Illinois Environmental Protection Agency to file status reports (or a joint status report, if the parties prefer) no later than January 6, 1995. This action before the Board has been pending since 1990, and failure to comply may subject this docket to dismissal.

The Board notes that petitioner has provided a waiver of the decision deadline until March 31, 1995. The Board requires 120 days in which to schedule hearing, provide public notice, allow for the filing of briefs, receive and review transcripts and fully deliberate the matter. Therefore, with the current decision deadline, a hearing date should already have been scheduled. The hearing officer is hereby directed to schedule the hearing in this matter consistent with the decision deadline.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, do hereby certify that the above order was adopted on the 14th day of December, 1994, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
