ORDER OF THE BOARD (by C.A. Manning):

This matter is before the Board pursuant to A.B. Dick Company's (A.B. Dick) status report order filed on December 8, 1994. According to A.B. Dick, the company is pursuing negotiation of this matter with the Illinois Environmental Protection Agency (Agency). A.B. Dick submitted a site specific closure plan for completing remediation of A.B. Dick's UST site, which the Agency denied on November 21, 1994. The parties are negotiating an alternative remediation approach, which would lead to resolution of the reimbursement issues.

The Board accepts the December 8, 1994 status report and directs that another status report be filed on or before March 8, 1995.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 14th day of December, 1994, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
