ORDER OF THE BOARD (J.C. Marlin):

This matter comes before the Board upon receipt of an Agency Recommendation dated October 10, 1990. The recommendation refers to a request from Petitioner, Mazer Chemical/Division of PPG Ind., for a 30 day provisional variance from the 90-day on-site limitations for hazardous wastes set forth in 35 Ill. Adm. Code 722.134(b).

Upon receipt of the request the Agency issued its recommendation, concluding that the hazardous wastes must remain on-site for longer than 90 days due to unforeseen, temporary and uncontrollable circumstances and failure to grant the requested 30-day provisional variance would impose an arbitrary or unreasonable hardship on Petitioner.

The Board concurs with the Agency Recommendation; Petitioner is granted a provisional variance from 35 Ill. Adm. Code 722.134(b) from September 29, 1990 to October 29, 1990.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 17<sup>th</sup> day of October, 1989, by a vote of 6-0.

  
Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
