ORDER OF THE BOARD (by M. Nardulli):

This petition was filed with the Board on March 5, 1990. On May 4, 1992, the Board received a status report filed on behalf of petitioner R. Lavin & Sons and a status report filed by the Illinois Environmental Protection Agency (Agency). The status reports indicate that R. Lavin & Sons has been taking stormwater discharge samples for an extended stormwater study to be performed in conjunction with its negotiations with the Agency. The status reports also indicate that the study should be completed and the results presented to the Agency within the next 60 days.

The Board directs the parties to file another status report with the Board to be received by the Board no later than August 1, 1992.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, do hereby certify that the above order was adopted on the 7th day of May, 1992, by a vote of 7-0.
