May 7, 1992

IN THE MATTER OF:)
)
PETITION OF THE MARATHON)
PETROLEUM COMPANY FOR AN) AS 90-6
ADJUSTED STANDARD TO ALLOW) (Adjusted Standard)
LAND DISPOSAL OF A WASTE)
PROHIBITED UNDER 35 ILL. ADM.)
CODE 728.130 THROUGH 728.139)

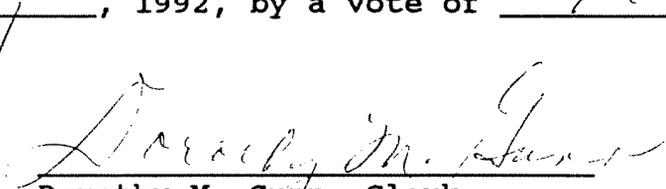

ORDER OF THE BOARD (by M. Nardulli):

This petition was filed with the Board on July 13, 1990. On May 4, 1992, the Board received a status report filed on behalf of petitioner Marathon Petroleum Company. The status report indicates that petitioner filed a no migration petition with the U.S. Environmental Protection Agency (USEPA) in 1989, and is currently waiting for the USEPA to act on the petition. Petitioner also filed a no migration petition with the Board in July of 1990. The regulations adopted by the Board contain a parallel procedure to the rules promulgated by the USEPA regarding a no migration petition. For this reason, the status report indicates that a hearing would not be productive at this time.

The Board directs the Marathon Petroleum Company to file another status report with the Board to be received by the Board no later than September 1, 1992.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, do hereby certify that the above order was adopted on the 7th day of May, 1992, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
