ORDER OF THE BOARD (by R.C. Flemal):

On November 30, 1994 petitioner filed a status report pursuant to Board order of September 15, 1994. Petitioner states that the Illinois Environmental Protection Agency (Agency) has made a settlement proposal, premised on petitioner submitting additional stormwater data. Petitioner has been submitting stormwater data to the Agency on an ongoing basis. The Agency requires additional data in order to have a representative sample of petitioner's stormwater. Petitioner expects this case will be settled and not proceed to hearing.

The Board accepts the petitioner's status report and directs all future status reports to be filed at the discretion of the hearing officer.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 14th day of December, 1994, by a vote of 6-0.
