ORDER OF THE BOARD (by E. Dunham):

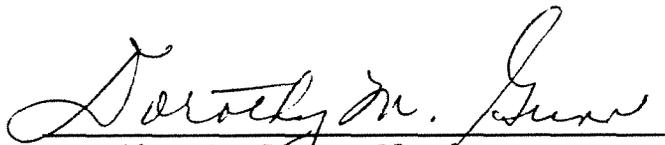

On April 12, 1993, complainants filed a status report in response to the Board's order of March 31, 1994. On April 18, 1994, respondent filed its status report. The status reports state that in the fall of 1993 the parties agreed to postpone testing as the air-conditioning season had ended. The parties intend to resume testing as weather dictates.

The Board observes that neither party included a proof of service with their status reports. Therefore, the Board is unable to tell if the status reports were properly served on the opposing party or the hearing officer. The Board reminds the parties that all filings should be accompanied by a proof of service and the hearing officer is to be served a copy of all filings. (See 35 Ill. Adm. Code 101.143 and Appendix E of part 101.)

The parties are ordered to file status reports with the Board on or before August 15, 1994.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, do hereby certify that the above order was adopted on the 21st day of April, 1994, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
