ORDER OF THE BOARD (by E. Dunham):

On June 23, 1993, Reichhold Chemicals, Inc. (Reichhold) filed a status report and a motion to extend stay. Reichhold also filed a waiver of the decision deadline.

The status report notes that the Office of the State Fire Marshal (OSFM) has indefinitely stayed Reichhold's registration appeal pending a determination from the Illinois Appellate Court in Board of Education, Community Consolidated School District 15 v. Armstead, No. 92-4145 (Ill. App. Ct. 1st Dist.) Reichhold notes that oral argument before the Appellate Court has not been scheduled and it is reasonable to believe that the case will not be decided in the next nine months.

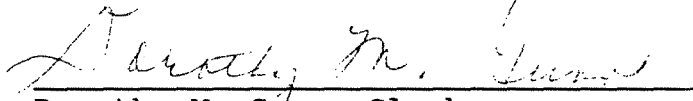

Reichhold notes that a meaningful hearing before the Board cannot be held until the OSFM decides the registration appeal. Therefore, Reichhold requests a 250-day extension of the stay, which expires on January 22, 1994. Reichhold has waived its statutory right to a decision for an additional 250 days up to and including January 30, 1995.

The Board grants the motion for a 250-day extension of the stay. This matter is stayed until September 29, 1994. The Board also notes that given the present decision deadline, this matter must be set for hearing at the time the stay expires.

The parties are instructed to file additional status reports to be received by the Board on or before September 16, 1994.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 20<sup>th</sup> day of January, 1994, by a vote of 7-0.

  
Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
