PETITION OF AKZO CHEMICALS, )  
INC. FOR AN ADJUSTED STANDARD ) AS 93-8  
FROM 35 Ill. Adm. Code 304.105 ) (Adjusted Standard)  
and 302.208. )

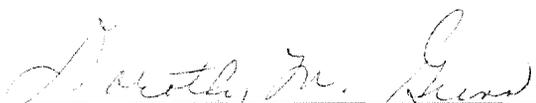

ORDER OF THE BOARD (by G. T. Girard):

On November 12, 1993, the Board received an amended petition in this proceeding. The Board had previously directed petitioner to file an amended petition as the first petition was deficient in several aspects. (Akzo Chemical, Inc. AS 93-8, September 9, 1993.) The amended petition is not complete. The Board had pointed out in the September 9 order that Attachment 7 was missing pages. Those pages are not included in the amended petition. Therefore, the Board directs the petitioner to file those pages within 14 days.

The Board on November 30, 1993 received a motion for extension of time from the Agency. The Board grants the motion and will extend the time for the Agency to respond until January 10, 1994. The Board notes that this is 14 days longer than requested by the Agency in order to allow the Agency the opportunity to review the petition with the missing pages.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, do hereby certify that the above order was adopted on the 2<sup>nd</sup> day of December, 1993, by a vote of 6-0.
