ORDER OF THE BOARD (by J. Theodore Meyer):

This matter is before the Board on its own motion. On April 22, 1993, the Board directed the parties to file a more detailed status report of the progress of this case. On May 20, 1993, petitioner Clayton Chemical Company (Clayton) filed a status report. Among other things, Clayton reports that the Illinois Environmental Protection Agency has asked that Clayton file a new Part B application. Clayton anticipates that the new application will be submitted within 90 days.

The Board accepts the status report, and directs that another status report be filed by September 1, 1993.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 3rd day of June, 1993, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
