ORDER OF THE BOARD (by G. T. Girard):

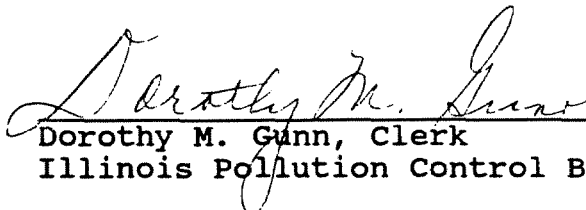

This matter comes before the Board on a January 24, 1994 motion for reconsideration filed by the Illinois Environmental Protection Agency (Agency). On February 7, 1994, the petitioner filed a response to the motion for reconsideration. The motion asks the Board to reconsider its order of December 16, 1993, striking certain conditions from Perma-Treat's permit.

The Board's rules at Section 101.246(d) states that the Board will consider factors including, but not limited to "error in the decision and facts in the record which are overlooked". (35 Ill. Adm. Code 246.) The Board has reviewed the Agency's motion and finds that the Agency has failed to point to any error in the Board's original decision and presents no new facts or arguments. Therefore, the motion for reconsideration is denied.

IT IS SO ORDERED.

Chairman Claire A. Manning and Board Member Marili McFawn dissent.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 3rd day of March, 1994, by a vote of 42.
