ORDER OF THE BOARD (by J. Theodore Meyer):

This matter is before the Board on petitioner We Shred It's February 22, 1993 motion for leave to file third amended petition for variance. We Shred It notes that the Board accepted its amended petition for variance on January 21, 1993, and states that after that date, it received an enforcement warning letter from the Illinois Environmental Protection Agency (Agency). We Shred It states that it has replied to the notice. We Shred It wishes to amend its variance petition in order to clarify the record regarding the alleged deficiencies, and to provide more accurate information regarding the tire inventory. Thus, We Shred It requests 14 days in which to prepare an amended petition. We Shred It states that the motion is filed in good faith, and that the Agency has no objection to the grant of this motion.

The Board grants the motion for leave to file a third amended petition. The amended petition is due on March 11, 1993. The Board notes that the filing of the amended petition will restart the time period for decision in this case.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 25<sup>th</sup> day of February, 1993, by a vote of 6-0.
