Respondent. )

ORDER OF THE BOARD (by C.A. Manning):

On June 6, 1995, General Motors Corporation (General Motors) filed a notice of extension of the 35-day appeal period pursuant to Section 40 of the Act, relating to a May 3, 1995 Agency determination regarding General Motors supplemental permit application. On June 7, 1995, the Agency filed its agreement to the extension.

P.A. 88-690 (SB1724) effective January 24, 1995, amends Section 40(a)(1), which governs the permit appeal process, to provide:

the 35-day period for petitioning for a hearing may be extended for a period of time not to exceed 90 days by written notice provided to the Board from the applicant and the Agency within the initial appeal period.

As the Board maintains its files by docket number only, the Board will reserve Docket PCB 95-164 for any appeal which may be filed by General Motors. In the event that General Motors fails to file an appeal on or before September 5, 1995 (the 125th day after May 3, 1995), the Board will dismiss the docket as unnecessary. A \$75.00 filing fee will, of course, be required at such time as General Motors files such petition.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 8<sup>th</sup> day of June, 1995, by a vote of 7-0.

  
Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
