

ILLINOIS POLLUTION CONTROL BOARD
July 1, 1993

IN THE MATTER OF:)
)
PETITION OF GENERAL MOTORS) R93-13
CORPORATION TO AMEND 35 ILL.) (Rulemaking)
ADM. CODE 303.322)
(Site-Specific Regulation)
for Fluoride, Danville Plant))

ORDER OF THE BOARD (by C. A. Manning):

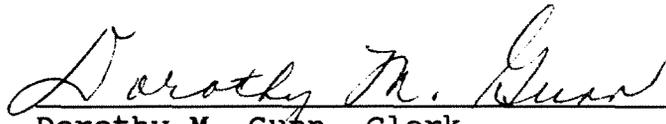

On June 23, 1993, General Motors Corporation (GM) filed a petition requesting amendments to its site-specific regulation for fluoride found at Section 302.322. Accompanying GM's petition is a motion requesting waiver of the requirement of Section 102.160(a) to submit 200 signatures in support of the proposal. The motion to waive the requirement of 200 signatures is hereby granted.

The Board finds that the petition satisfies the information requirements of 35 Ill. Adm. Code 102.141. The petition is accordingly accepted for hearing.

GM's proof of service however, does not indicate that a copy of the proposal has been filed with the Office of the Attorney General (AGO) as required by 35 Ill. Adm. Code 102.140. GM is directed to serve the proposal on Joseph Annunzio at the AGO's Chicago office on or before July 16, 1993.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 1st day of July, 1993, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
