IN THE MATTER OF:)
)
PETITION OF KEYSTONE STEEL) AS 93-7
AND WIRE COMPANY FOR ADJUSTED) (RCRA Delisting
STANDARD FROM 35 ILL. ADM.) Adjusted Standard)
CODE 721.132)

ORDER OF THE BOARD (by J. Anderson):

On August 2, 1993, Keystone Steel and Wire Company (Keystone) requestes a 90-day stay in the proceeding In the Matter of: Petition of Keystone Steel and Wire Company for Adjusted Standard from 35 Ill. Adm. Code 721.132, which was filed concurrently with the motion.

Keystone filed the adjusted standard petition pursuant to a consent order filed on July 2, 1993 in the case People of the State of Illinois vs. Keystone Consolidated Industries, Inc. (Peoria County, Chancery Division, No. 93 CH 000103). The consent order required Keystone to file a petition for certain K062-listed materials by August 1, 1993. Keystone requests a 90-day stay of proceedings to allow it time to provide further validated data results in an amended petition and for review by the Illinois Environmental Protection Agency (Agency).

On August 13, 1993 the Agency filed a response stating that it had no objection to the motion to stay as long as it's response time ran from the amended petition.

The Board notes that the amended petition was filed on August 25, 1993, accompanied by a motion for leave to file, stating that the further documentation is contained in the amended petition. The motion to file the amended petition is granted. We construe Keystone's motion to file its amended petition as rendering moot its earlier motion to stay. The Agency's request to start its response time from the time the amended petition is filed is granted.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 26th day of August, 1993, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
