ORDER OF THE BOARD (by M. Nardulli):

This matter comes before the Board on a petition filed on July 10, 1992. Since the filing of the petition, respondent has filed several motions for extension of time to file the Agency record in this matter, citing on-going negotiations between respondent and petitioner. On August 3, 1992, petitioner filed an open waiver of the decision date. On May 6, 1993, the Board granted the parties' motion to extend time to file the record. The Agency is to file the record with the Board by December 30, 1993.

The parties anticipate that this matter will be resolved by the adoption of R93-9, In the Matter Of: Omnibus Cleanup of the Volatile Organic Material RACT Rules Applicable to Ozone Nonattainment Areas: Amendments to 35 Ill. Adm. Code Parts 203, 211, 218 and 219. R93-9 was adopted by the Board on September 9, 1993. The parties have committed to submit additional status reports to the Board within 120 days of the issuing of this Order.

The Board directs the parties to file a status report with the Board by November 23, 1993. The status report shall address the effect of the adoption of R93-9 on this matter and an estimated date for conclusion of this matter.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 23<sup>rd</sup> day of September, 1993, by a vote of 7-0.
