ORDER OF THE BOARD (by C.A. Manning):

On January 4, 1993, Roland W. Burris, Attorney General of the State of Illinois, on behalf of the People of the State of Illinois and the Illinois Environmental Protection Agency (Agency) filed a four-count complaint against Archer Daniels Midland (ADM) with the Board. The complaint alleges violation of Sections 9(a) and (b) of the Illinois Environmental Protection Act (415 ILCS 5/9(a) and 5/9(b)); 35 Ill. Adm. Code Sections 201.141, 201.142 and 212.123.

Pursuant to our order of January 20, 1994, the Attorney General and ADM filed a joint status report on April 14, 1994. In their prior status report of January 13, 1994, the parties had indicated that a final decision on an ADM permit application pending before the Agency would resolve many of the outstanding issues in this case. Accordingly, the Agency issued a final permit on March 24, 1994.

The parties request at least 60 days in which to negotiate a settlement regarding the penalty amount and the specific terms of any written agreement. Accordingly, a joint status report shall be filed with the Board on or before July 14, 1994. The parties are free to file a stipulated settlement agreement in lieu of a status report if one is negotiated on or before that date.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 21<sup>st</sup> day of April, 1994, by a vote of 6-0.

  
Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
