) (Rulemaking)
ENVIRONMENTAL EFFECTS CONSIDERATION)
(35 ILL. ADM. CODE PART 232))

ORDER OF THE BOARD (by C. A. Manning):

This matter is before the Board pursuant to a status report filed by the Agency on January 18, 1994, pursuant to a December 16, 1993 Board order in this matter. The Board opened this docket to address the question of developing an environmental effects criteria for selecting Toxic Air Contaminants (TACs) in its R90-1 order dated September 26, 1991, pursuant to comments filed by the Agency. To this date no proposal has been made by the Agency.

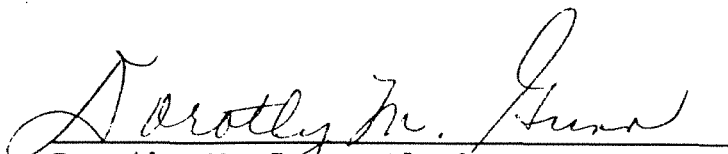

The Agency states in the status report that the work group which includes environmental and regulated communities met regarding this proposal, but, however, the focus has shifted to listing as TACs those chemicals listed as hazardous air pollutants under Section 112(b) of the Clean Air Act, as amended in 1990 (42 U.S.C. 7412). The Agency further states that proceeding to hearing in this matter at this time would not be beneficial and requests a continuance until at least June 30, 1994.

The parties are hereby directed to file an additional status report with the Clerk of the Board and the hearing officer, on or before April 25, 1994 identifying the progress of the negotiations in this matter. The hearing officer and the Board will determine the timing and sequence of further action upon the receipt of the next status report. We further extend the stay until June 30, 1994.

Questions on this proceeding should be directed to the Hearing Officer, Charles Feinen, at 217/524-8500 in the Springfield office of the Board located at 600 S. Second St., Suite 402, Springfield, Illinois 62704.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 20th day of January, 1994, by a vote of 7-0.
