ORDER OF THE BOARD (by R.C. Flemal):

This matter comes before the Board on a December 17, 1993 amended motion for leave to file an amended petition by Bocker Chevrolet Company. On December 2, 1993 the Board denied a previous motion to file because the actual amended petition was not filed with the motion, and as a consequence the amended petition could not be reviewed by the Board. The instant motion is accompanied by the amended petition. The Board has reviewed and accepts the amended petition.

The Board notes that a general consequence of filing an amended petition in a decision-deadline case is to cause the decision clock to restart. In the instant matter, however, petitioner has filed an open waiver and the decision-deadline provisions accordingly do not apply.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 6th day of January, 1994, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
