ORDER OF THE BOARD (by J. Anderson):

On September 16, 1993, petitioner moved to dismiss its appeal as moot. The motion recites that petitioner filed this cause due to a March 8, 1993, Illinois Environmental Protection Agency ("Agency") letter stated that petitioner's 15,000 gallon tank located at the Joliet Park District Airport, 4000 West Jefferson Street, Joliet, Illinois, was ineligible for UST Fund reimbursement. The basis for this determination was that the tank was not in operation at any time since January 1, 1974. Joliet states that since the filing of this cause, OSFM has registered the tank. Because of this, the Agency has determined the tank to be eligible for reimbursement, as evidenced by its September 8, 1993, letter (Exhibit A).

The motion is granted. This matter is dismissed as moot and the docket is closed.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 23rd day of September, 1993, by a vote of 7-0.
