ORDER OF THE BOARD (by C. A. Manning):

By order of April 8, 1993, the Board directed that all hearings be completed in this matter by July 16, 1993. Hearing is currently scheduled for July 16.

On July 7, 1993, Berkshire filed an agreed motion to continue hearing through October 15, 1993. The motion recites that:

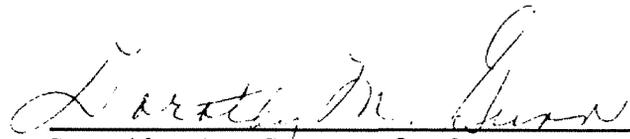

[The parties] have been pursuing a settlement with respect to the matters alleged in the complaint for a number of months. Substantially all issues have been resolved and the parties are discussing final settlement terms. A draft of an agreed order that would resolve all issues has been exchanged by the parties and all but a few issues have been resolved.

Counsel for complainant has represented to counsel for [Berkshire] that the most recent draft of the agreed order will be forwarded to [Berkshire] this week. [Berkshire] believes that further revisions will be necessary before final agreement is reached. Even if final agreement is reached quickly, the time required for complainant and its counsel to review and approve the agreed order will delay settlement past the hearing date.

The motion for continuance is hereby granted. The parties are directed to file a status report on or before October 15, 1993, in the event this case has not been closed by that time.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 17th day of July, 1993, by a vote of 5-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
