OPINION AND ORDER OF THE BOARD:

This matter comes before the Board upon a Five-count complaint filed April 28, 1994, by Roland W. Burris, Attorney General of the State of Illinois, on behalf of the Illinois Environmental Protection Agency and the People of the State of Illinois, against Parker Hannifin Corporation, an Ohio Corporation located in 1051 Davis Road, in the City of Elgin, Kane County, Illinois. The complaint alleges that Parker Hannifin Corporation has violated Sections 9(a) and 9(b) of the Illinois Environmental Protection Act (Act), 415 ILCS 5/9(a), 5/9(b) and 35 Ill. Adm. Code §§ 201.141, 201.142 and 201.143 for discharging odorous emissions into the environment causing air pollution, operating and constructing emission sources and pollution control equipment without the proper permits.

Pursuant to 415 ILCS 5/31(a)(1), the parties filed a joint Motion requesting relief from the Act's hearing requirement on April 28, 1994. The Board published a Notice of the waiver on May 3, 1994; no objection to grant of the waiver was received. Waiver of hearing is hereby granted.

The parties filed a Stipulation and Settlement Agreement on April 28, 1994. The Stipulation sets forth facts relating to the nature, operations and circumstances surrounding the claimed violations. Parker Hannifin Corporation admits the alleged violations and agrees to pay a civil penalty of twenty thousand dollars (\$20,000.00).

The Board finds the settlement agreement acceptable under 35 Ill. Adm. Code 103.180. This settlement agreement in no way affects respondent's responsibility to comply with any federal, state or local regulations, including but not limited to the Act and the Board's pollution control regulations.

This opinion constitutes the Board's findings of fact and conclusions of law in this matter.
