ORDER OF THE BOARD (by J. C. Marlin):

On September 3, 1992, the Agency moved for an extension of time in which to file its record. The record was due on August 31, 1992 and the Agency seeks an extension to November 30, 1992.

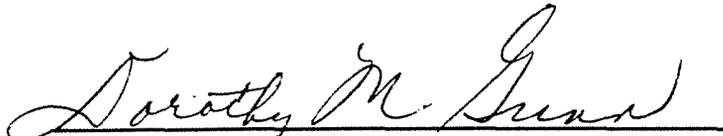

The Agency states that:

Shell Oil Company has filed a waiver of decision date and has agreed to extend the date for filing the record until November 30, 1992. On August 7, 1992, [the parties] had a conference call and discussed possible resolutions of the Petition. The call successfully narrowed the issues and the parties believe that they will be able to reach agreement on the issues that lead to the permit appeal.

The motion is granted. The record is due to be filed on or before November 30, 1992.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 17th day of September, 1992 by a vote of 7-0.
