ORDER OF THE BOARD (by C. A. Manning):

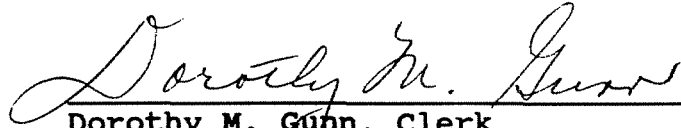

On November 15, 1993, Pekin filed an agreed motion for a 60-day extension of the briefing schedule in each of two permit appeals, PCB 92-212 and PCB 93-1. In each case, the briefing schedule had been twice previously extended 60 days by Board orders of August 5, 1993 and September 23, 1993. The instant requests were accompanied by 120 day waivers of the decision deadlines to July 29, 1994.

Pekin states that since the Board's order of September 23, 1993, which granted petitioner until November 13, 1993, to file its brief in each case, the parties have reached agreement on all substantive issues, including resolution of the issues raised in the two permit appeals. The only outstanding matter is the reformatting of the settlement proposal, which counsel for petitioner drafted in agreement form and which the Office of the Attorney General is redrafting in consent order form. Pekin in good faith anticipates that the consent order will be signed before Thanksgiving and will result in dismissal of the two permit appeals currently pending before the Board. Pekin states that the Agency has no objection to the Board granting a further extension of the briefing schedule in this matter.

The motion for extension is granted. Petitioner's closing brief is now due on or before January 12, 1994.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 18th day of November, 1993, by a vote of 5-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
