ORDER OF THE BOARD (by B. Forcade):

On October 8, 1992, Ball filed permit appeal PCB 92-150 along with a request to consolidate this case with PCB 91-175 and PCB 91-258. The Agency has not filed a response to the motion.

As Ball has filed open waivers in each case, the Board finds that consolidation of these cases for the purpose of hearing would be in the interests of administrative economy. The motion to consolidate is hereby granted.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 16th day of October, 1992, by a vote of 7-0.
