

ILLINOIS POLLUTION CONTROL BOARD
June 23, 1994

IN THE MATTER OF:)
)
TOXIC AIR CONTAMINANT LIST,) R90-1(B)
ENVIRONMENTAL EFFECTS) (Rulemaking)
CONSIDERATION)
(35 ILL. ADM. CODE PART 232))

ORDER OF THE BOARD (by C. A. Manning):

The Board on January 20, 1994 ordered the parties to file an additional status report with the Clerk of the Board and the hearing officer on or before April 25, 1994 identifying the progress of the negotiations in this matter; the Board also extended the stay until June 30, 1994. On April 29, 1994 the Illinois Environmental Protection Agency (Agency) filed its status report. No other participant filed a status report. The Board requested another status report to be filed on or before June 3, 1994. On June 3, 1994, the Agency filed a status report and a request for an extension of the stay in this matter. The Sierra Club, Illinois Chapter, and the American Lung Association of Metropolitan Chicago (Association) filed a response to the status report and request for an extension of the stay.

The status report states that the parties are engaged in discussions primarily focused on sub-dockets R90-1(C) and R90-1 (D) and that the resolution of these dockets will allow the Agency to focus on this sub-docket. In addition, the Agency states that this sub-docket is interrelated with the issues in the other sub-dockets and that it will be appropriately addressed based on their resolution. Also, the status report requests a extension of the stay in this matter until September 30, 1994.

As in the other sub-docket the Sierra Club and the Association state that they understand that the Agency is nearing completion of the proposal and in light of this do not oppose an extension of the stay in this matter. However, Sierra Club and the Association realize that agreement on some areas of concern may never be reached and that they look forward to a full discussion of the issues before the Board.

The parties are hereby directed to file an additional status report with the Clerk of the Board and the hearing officer, on or before September 30, 1994 identifying the progress of the negotiations in this matter. The hearing officer and the Board will determine the timing and sequence of further action upon the receipt of the next status report. The stay in this matter is extended until October 6, 1994.

Questions on this proceeding should be directed to the

Hearing Officer, Charles Feinen, at 217/524-8500 in the Springfield office of the Board located at 600 S. Second St., Suite 402, Springfield, Illinois 62704.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 23rd day of June, 1994, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
