OPINION AND ORDER OF THE BOARD:

This matter comes before the Board upon a one-count complaint filed May 12, 1994, by Roland W. Burris, Attorney General of the State of Illinois, on behalf of the Illinois Environmental Protection Agency and the People of the State of Illinois, against Celotex Corporation, a Delaware Corporation located at 901 South Front Street, in the City of Quincy, Adams County, Illinois. The complaint alleges that Celotex Corporation has violated Sections 12(a) and 12(f) of the Illinois Environmental Protection Act (Act), 415 ILCS 5/12(a), 5/12(f), 35 Ill. Adm. Code § 309.102(a), and Special Condition 7 of NPDES Permit No. IL0003247 for improper treatment and disposal of wastewater.

Pursuant to 415 ILCS 5/31(a)(2), the parties filed a joint Motion requesting relief from the Act's hearing requirement on May 12, 1994. The Board published a Notice of the waiver on May 22, 1994; no objection to grant of the waiver was received. Waiver of hearing is hereby granted.

The parties filed a Stipulation and Settlement Agreement on May 12, 1994. The Stipulation sets forth facts relating to the nature, operations and circumstances surrounding the claimed violations. Celotex Corporation admits the alleged violations and agrees to pay a civil penalty of fifteen thousand dollars (\$15,000.00).

The Board finds the settlement agreement acceptable under 35 Ill. Adm. Code 103.180. This settlement agreement in no way affects respondent's responsibility to comply with any federal, state or local regulations, including but not limited to the Act and the Board's pollution control regulations.

This opinion constitutes the Board's findings of fact and conclusions of law in this matter.

ORDER

Interest shall not accrue during the pendency of an appeal during which payment of the penalty has been stayed.

IT IS SO ORDERED.
