SYSTEMS, INC. FOR ADJUSTED) (Adjusted Standard)
STANDARD FROM 35 ILL. ADM.)
CODE 810.103, 811.304 and 811.507)

ORDER OF THE BOARD (by J. Anderson):

On January 8, 1993, Conversion Systems, Inc. (CSI), filed a Motion for Expedited Decision and to Correct References in Reply. In support of its motion, CSI asserts that it seeks to minimize opportunities lost by it to market its process to utilities, which must make decisions as to how they will meet the deadlines under the Clean Air Act Amendments. CSI asserts that it has several commercial proposals pending that are directly affected by the outcome of this proceeding.

CSI also noted that on lines 7 and 14 of its December 23, 1992 reply, references to Attachments B and M should both be to Attachment G. The corrections are so noted.

The Board grants the motion for expedited decision consistent with the sufficiency of its available resources.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 21st day of January, 1993, by a vote of 6-0.
