ORDER OF THE BOARD (by M. McFawn):

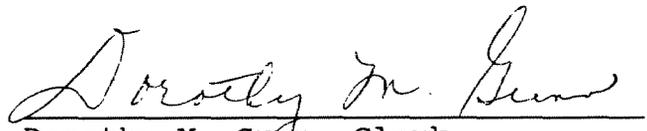

This matter is before the Board on a request for relief from the requirements of 31(a)(1) that all proposed stipulated settlements be presented at public hearing. (415 ILCS 5/31(a)(1) (1992).) This request accompanied a stipulation and proposal for settlement filed by the parties on June 27, 1994. As required by Section 31(a)(2) of the Act, the Board issued an order directing the Clerk of the Board to publish notice of the stipulation, proposal, and request for relief. Accordingly, the Clerk caused publication of the required notice on July 3, 1994. Pursuant to Section 31(a)(2), the notice included a statement that any person could request a hearing within 21 days of receiving notice.

On July 7, 1994, the Board received a request for a public hearing in this matter from Thomas A. Brown, President of the Village of East Hazel Crest (Village). Therefore, the request for relief from the requirements of hearing is denied, and this matter is accepted for hearing.

The hearing must be scheduled and completed in a timely manner, consistent with Board practices. A hearing officer will be assigned to this case who will contact the parties and the Village to determine a mutually agreeable hearing date.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 21st day of July, 1994, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
