ORDER OF THE BOARD (by C.A. Manning):

On December 3, 1993, the Board received a joint status report accompanied by a motion to file instanter from the Illinois Environmental Protection Agency (Agency) and Olin Corporation (Olin). The status report indicates that the parties are working toward settlement of the outstanding issues in this case.

The Board hereby grants the motion for leave to file instanter and accepts the status report filed by the Agency and Olin. We direct the parties to file an additional status report on or before February 14, 1994. If this case is not dismissed or otherwise resolved by February 14, 1994, and a hearing is required, an additional waiver of the statutory decision deadline should be filed in conjunction with the February status report. The Board requires 120 days in which to schedule hearing, give public notice, establish a briefing schedule, receive and review the transcript and fully deliberate on the matter. Under such time constraints, absent a waiver of the statutory deadline, we must set this matter for hearing in February.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, do hereby certify that the above order was adopted on the 16<sup>th</sup> day of December, 1993, by a vote of 7-0.

  
Dorothy M. Gunn, Clerk
