

ILLINOIS POLLUTION CONTROL BOARD

October 29, 1992

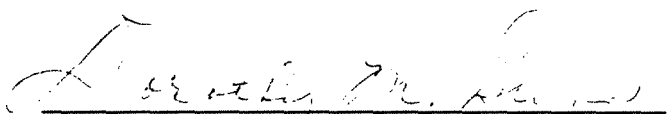

IN THE MATTER OF:)
SAFE DRINKING WATER ACT UPDATE) R91-3
(7/1/90 - 1/31/91)) (Identical in Substance
Rules)

ORDER OF THE BOARD (by J. Anderson):

Because of the time constraints and unusual complexities involved in this identical in substance rulemaking, the Board on its own motion hereby directs that a copy of the draft final Order in this rulemaking be sent to the Illinois Environmental Protection Agency (Agency) for its review prior to Board adoption on November 19, 1992. The Board instructs its Senior Attorney to make "response time" arrangements with the Agency so as to assure that there is sufficient time for the Board to react to any Agency concerns in the final opinion and order prior to adoption.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 29th day of October, 1992 by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
