ORDER OF THE BOARD (by G.T. Girard):

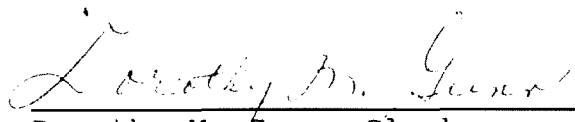

Pursuant to the Board's order of April 9, 1992, hearing was scheduled for July 8, 1992. On June 10, 1992, Atwood moved to reschedule hearing in this appeal of a RCRA closure plan.

Atwood reports that its consultant, Baxter and Woodman, completed its draft of a revised closure plan and forwarded the revised plan to the Agency on March 18, 1992, for review and approval. According to counsel for the Agency, the Respondent has completed its review of the revised plan and expects to respond to Atwood within the next two weeks. Atwood is hopeful that this matter will be resolved in the near future without the need for briefing by the parties or a hearing.

The Board notes that the decision deadline in this matter has been waived only until November 19, 1992. Cancellation of the hearing could jeopardize the Board's ability to meet its decision deadline in the event a dispute arises. The Board accordingly denies Atwood's motion. However, the Hearing Office is authorized to reschedule hearing in the event an appropriate waiver is received. If the July hearing is cancelled, the Board would expect the filing of an updated status report on or before September 15, 1992.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 23rd day of June, 1992 by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
