ORDER OF THE BOARD (by G. T. Girard):

On August 11, 1994, the Board ~~is~~ requested that the parties file with the Board no later than September 9, 1994 their views regarding what proceedings are appropriate in this case at this time. On September 8, 1994, the parties filed a joint report to the Board. The report states the parties agree that the five underground storage tanks have been determined eligible by the decision in Chemrex v. Pollution Control Board, (No. 1-93-0804 (1st Dist.) (December 28, 1993)). The parties therefore suggest that the Board remand this case to the Agency to determine the applicable deductible and reasonableness of costs.

The Board agrees with the parties that the five tanks are eligible for reimbursement. Therefore, the Board remands this case to the Agency to determine the applicable deductible and reasonableness of costs. This docket is hereby closed.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 15th day of September, 1994, by a vote of 6-0.
