ORDER OF THE BOARD (by Mr. Goodman):

On January 7, 1980 the City of Rochelle, proponent of R78-15, moved to sever its site-specific proposal from the above-consolidated proposals after completion of hearing. Only one involved participant, the Illinois Environmental Protection Agency (Agency), responded to the motion; the Agency had no objections to severance.

The motion is granted not for reasons stated by Rochelle but because after hearings are completed all the regulations will be "severed" for purposes of orders and opinions. The Board points out, however, that severance by itself may not lead to the "quick and separate" action on the proposal as Rochelle believes.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 7<sup>th</sup> day of February, 1980 by a vote of 4-0.
