ORDER OF THE BOARD (by J. Yi):

On August 24, 1994, the Bargain Auto Rental Inc., an Illinois corporation (Bargain Auto), filed a Petition for Review of Denial of UST Fund Eligibility by the Illinois State Fire Marshal (OSFM). On July 15, 1995, OSFM had classified the release at Bargain Auto's facility as "minor" which makes the site ineligible for reimbursement from the UST Fund.

On February 15, 1995, Bargain Auto filed a voluntary motion to dismiss its petition. The motion states that since the filing of the petition, OSFM and the Illinois Environmental Protection Agency are now allowing sites with "minor" releases to access the UST fund for reimbursement of eligible corrective action costs. In addition, the motion states that OSFM will reconsider Bargain Auto's eligibility to access the UST Fund and issue a new determination of eligibility. The motion to voluntarily withdraw the petition is granted and the docket in this matter is closed.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 23<sup>rd</sup> day of February, 1995, by a vote of 7-0.
