ORDER OF THE BOARD (by C.A. Manning):

In a January 14, 1994 status report, A.B. Dick Company (A.B. Dick) notified the Board that the parties continue to negotiate a settlement in this matter and in a related case, A.B. Dick v. IEPA, PCB 92-209. Pursuant to our order of January 20, 1994, A.B. Dick filed an additional status report on June 15, 1994. A.B. Dick reports that they have taken additional samples and performed additional technical studies and that technical representatives from both parties have met and continue to meet to resolve technical issues. A.B. Dick also indicates the parties have tentatively scheduled a meeting for late July to negotiate a settlement once an agreement is reached on the technical issues.

A.B. Dick remains confident that a settlement will be reached and request this matter not be set for hearing until the parties have exhausted all settlement opportunities. We hereby accept the status report filed by A.B. Dick, and direct the parties to file an additional status report on or before August 25, 1994. This case has been waived until January 1, 1995. If the parties intend to pursue settlement beyond the next status report due date, a statutory decision deadline waiver must be filed by August 25, 1994 or this case will be set for hearing.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 23<sup>rd</sup> day of June, 1994, by a vote of 6-0.
