ORDER OF THE BOARD (by B. Forcade):

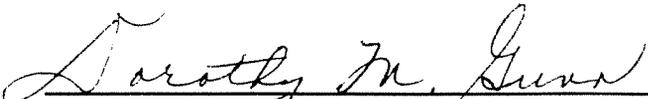

On September 27, 1993, the Environmental Protection Agency (Agency) filed its "Motion for Leave to File Instanter and the Motion for Extension of Time to File Agency Recommendation." The Agency seeks leave of the Board to file its motion for extension instanter. The Board grants this motion for leave to file the Agency's motion for extension. In support of its motion for extension of time, the Agency states that it has referred an action to the Attorney General involving similar issues as those in the variance action. The Agency notes that preparation of the related action prevented the Agency from filing its recommendation by the September 17, 1993 due date. The Agency intends to file its recommendation on or before October 18, 1993.

On September 27, 1993, Atlanta filed a "Response to Motion for Leave and Motion for Extension." Atlanta indicates that it has no objection to the extension and is in agreement with statements made by the Agency in its motion. Atlanta also filed a waiver of the decision deadline through January 31, 1994.

The Board grants the Agency's motion for extension of time to file its recommendation. The Agency recommendation is to be filed on or before October 18, 1993.

IT IS ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 7<sup>th</sup> day of October, 1993, by a vote of 7-0.
