ORDER OF THE BOARD (by J. Theodore Meyer):

This matter is before the Board on a March 25, 1993 motion to file the record instant, filed by the Illinois Environmental Protection Agency (Agency). This appeal was filed with the Board on December 28, 1992, and the Agency states that it received notice of the petition on January 14, 1993. Pursuant to 35 Ill. Adm. Code 105.102(a)(4), the Agency record is to be filed with the Pollution Control Board within 14 days "upon notice of the petition". This motion and the record are 55 days late.

The Board is concerned about the delay in filing this record. The Board also notes with concern the absence of any earlier motion requesting an extension of time. However, because the Agency's record is necessary for the decision of this proceeding, the motion to allow filing of the Agency record instant is hereby granted.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 8th day of April, 1993, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
