ORDER OF THE BOARD (by R.C. Flemal):

On September 17, 1992, the Board ordered the parties to file status reports in this proceeding. On February 1, 1993 the parties filed their status reports. The Illinois Environmental Protection Agency discusses the history of this proceeding, and states that the parties have extended the period for negotiations under the dispute resolution clause in a consent decree entered into by these parties in a related enforcement action, People v. R. Lavin & Sons (1990), No. 90-CH-668. R. Lavin & Sons, Inc., (Lavin) states that it is currently awaiting the final decision of the the North Shore Sanitary District and the City of North Chicago regarding Lavin's request to reroute some of Lavin's stormwater discharges. Lavin requests that the Board set the matter for another status report by April or May 1993. Lavin also waives the decision deadline in this matter until September 30, 1993.

The Board hereby orders that the parties submit status reports to be received by the Board on or before May 3, 1993.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 4th day of February, 1993, by a vote of 6-0.

 Dorothy M. Gunn, Clerk
 Illinois Pollution Control Board
