OPINION AND ORDER OF THE BOARD:

This matter comes before the Board upon a one-count complaint filed October 31, 1994, by Roland W. Burris, Attorney General of the State of Illinois, on behalf of the Illinois Environmental Protection Agency, and the People of the State of Illinois, against Modern Steel Treating Company, an Illinois corporation located at 1010 West 122nd Street, in the City of Chicago, Cook County, Illinois. The complaint alleges that Modern Steel Treating Company by operating without a permit has violated Sections 9(a) and 9(b) of the Environmental Protection Act (Act), (415 ILCS 5/9(a), 5/9(b)(1992)), 35 Ill. Adm. Code 212.123(a) and 201.143.

Pursuant to 415 ILCS 5/31(a)(2), the parties filed a joint motion requesting relief from the Act's hearing requirement on October 31, 1994. The Board published a notice of the waiver on November 2, 1994; no objection to grant of the waiver was received. Waiver of hearing is hereby granted.

The parties filed a Stipulation and Settlement Agreement on October 31, 1994. The Stipulation sets forth facts relating to the nature, operations and circumstances surrounding the claimed violations. Modern Steel Treating Company neither admits nor denies the alleged violations and agrees to pay a civil penalty of one thousand dollars (\$1,000.00).

The Board finds the settlement agreement acceptable under 35 Ill. Adm. Code 103.180. This settlement agreement in no way affects respondent's responsibility to comply with any federal, state or local regulations, including but not limited to the Act and the Board's pollution control regulations.

This opinion constitutes the Board's findings of fact and conclusions of law in this matter.
