Adopted Rule. Final Order.

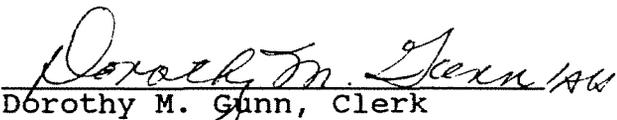

DISSENTING OPINION (by J. Theodore Meyer):

I respectfully dissent from the majority opinion in this matter. For the protection of the Illinois taxpayer, the sooner that the state effectuates its financial assurance regulations for landfills, the better prepared it will be. I see no sense in delaying the effective date of these regulations. In addition, I agree with the public comment submitted by Browning-Ferris Industries in that financial assurance regulations should apply to both public and private facilities.

For the above reasons, I respectfully dissent.
