CALUMET RIVER SYSTEM)

ORDER OF THE BOARD (by R.C. Flemal):

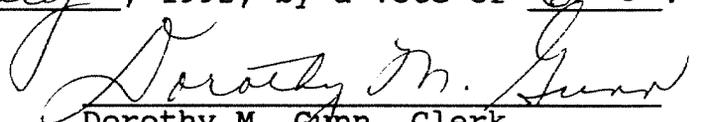

This matter comes before the Board on a motion filed January 29, 1992, by the Metropolitan Water Reclamation District of Greater Chicago (District)¹. On May 19, 1988, as part of its final order in this proceeding, the Board ordered the District to file a comprehensive water quality evaluation by January 15, 1992, as specified in the order.

The District requests that the Board waive its requirement (found at 35 Ill. Adm. Code 101.103) that the District file ten copies of its Comprehensive Water Quality Evaluation Report. An original and two copies of the report were filed on January 15, 1992. The District asks, due to the voluminous nature of the report, that it be allowed to file an original and two copies of the report.

The District's motion for waiver of the requirements of 35 Ill. Adm. Code 101.103, as it pertains to the Comprehensive Water Quality Evaluation Report, is granted.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 6th day of February, 1992, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
