ORDER OF THE BOARD (by J. C. Marlin):

This matter comes before the Board on a petition filed on February 18, 1992. On April 12, 1993, the parties filed a joint status report pursuant to a February 25, 1993 Board order. The parties report that they are negotiating the documentation Safety-Kleen must submit to resolve this matter. In February of 1993, Safety-Kleen provided comments to Agency regarding the documentation. In March of 1993, the Agency provided Safety-Kleen with a draft closure plan. On April 7, 1993, Safety-Kleen provided the Agency with comments regarding the closure plan. The Agency is expected to complete its review of the comments within the next few weeks. The parties are negotiating the terms of the plan and believe that agreement on these issues will represent a significant step towards resolution of this matter. The parties anticipate that Safety-Kleen will soon be in a position to voluntarily withdraw its appeal.

The parties are directed to file another status report on or before July 29, 1993, concerning the status of this matter.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 22nd day of April, 1993, by a vote of 6-0.

Illinois Pollution Control Board
