ORDER OF THE BOARD (by M. McFawn):

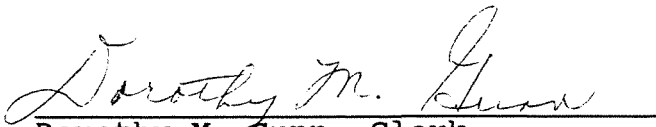

This matter is before the Board on a motion for extension of time filed by respondent the Illinois Environmental Protection Agency (Agency) on April 11, 1995. The Agency seeks a one week extension of time to respond to a motion for summary judgment filed by petitioner Medical Disposal Services, Inc. (MDS) on March 31, 1995. The Agency states that it received a copy of MDS's motion for summary judgment and related filings on April 4, 1995; the Agency's response was therefore due on or before April 11, 1995.

In support of the requested extension, the Agency states that the motion for summary judgment raises novel issues of law and fact. The Agency asserts that it therefore needs additional time to prepare its response.

The requested extension is hereby granted. The Agency response is due on or before April 18, 1995.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 13th day of April 1995, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
