ORDER OF THE BOARD (by C. A. Manning):

On December 29, 1993, the complainant moved the Board to reconsider its default order entered November 4, 1993. The motion states that the parties have engaged in negotiations and **reached a settlement, and that "refusal to adopt the stipulation defeats the goals of the Act [which is] compliance...not punitive damages"**. In the proposed settlement, the complainant would withdraw one count of the administration citation (AC), the respondent would admit to the other two alleged violations, and the respondent would accordingly pay a \$1,000 fine rather than the \$1,500 fine assessed by the Board on November 4 based on the original AC.

Complainant's motion for reconsideration is untimely filed outside the 35 day period specified in 35 Ill. Adm. Code 101.246, and the motion does not state why the Board was not earlier notified of the pendency of settlement negotiations. However, as the Board has previously acknowledged, the "law favors settlements", People v. Kershaw, PCB 92-164, (Order of August 26, 1993 on reconsideration at p. 6 and cases cited therein). The Board will accordingly grant complainant's motion, but requests that we be more timely notified of settlement negotiations in future cases.

The Board's November 4, 1993 order is hereby vacated. The remainder of this order reflects the parties' stipulated agreement including complainant's withdrawal of the alleged violation of Section 21(p)(2) of the Act.

This matter originally came before the Board upon a September 13, 1993 filing of an Administrative Citation pursuant to Section 31.1 of the Illinois Environmental Protection Act (Act) by Sangamon County. A copy of that Administrative Citation is attached hereto, but will not be printed in the Board's Opinion Volumes. Service of the Administrative Citation was made upon Stanley Ray Stewart on September 21, 1993. Sangamon County alleges that on August 25, 1993, Stanley Ray Stewart, present

owner and/or operator of a facility located in Sangamon County and commonly known to the Agency as Springfield Township/Stewart, violated Sections 21(p)(1) and 21(p)(3) of the Act. The **statutory penalty established for each of these violations is \$500.00 pursuant to Section 42(b)(4) of the Act.** Respondent admits to these violations.

**Stanley Ray Stewart did not file a Petition for Review with the Clerk of the Board within 35 days of the date of service as allowed by Section 31.1(d)(2) of the Act. Therefore, pursuant to Section 31.1(d)(1), the Board finds that Stanley Ray Stewart has violated the provisions alleged in the Administrative Citation. Since there are two (2) such violations, the total penalty to be imposed is set at \$1,000.00.**

1. It is hereby ordered that, unless the penalty has already been paid, within 30 days of the date of this order Stanley Ray Stewart shall, by certified check or money order payable to the Sangamon County Public Health Department, pay a **penalty in the amount of \$1,000.00, which is to be sent to:**

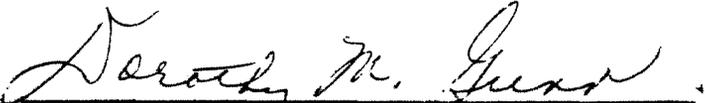

James D. Stone  
 Director of Public Health  
 Sangamon County Department of Public Health  
 200 South Ninth Street - Room 301  
 Springfield, Illinois 62701

2. Respondents shall include the remittance form and write the case name and number and their social security or federal Employer Identification Number on the certified check or money order.
3. Penalties unpaid after the due date shall accrue interest pursuant to Section 42(g) of the Illinois Environmental Protection Act.
4. Payment of this penalty does not prevent future prosecution if the violation continues.

Section 41 of the Environmental Protection Act (415 ILCS 5/41 (1992)) provides for appeal of final orders of the Board within 35 days. The Rules of the Supreme Court of Illinois establish filing requirements. (See also 35 Ill. Adm. Code 101.246, Motions for Reconsideration.)

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 6<sup>th</sup> day of January, 1994, by a vote of 7-0.
