

ILLINOIS POLLUTION CONTROL BOARD
March 16, 1995

IN THE MATTER OF:)
)
UST UPDATE, USEPA REGULATIONS) R95-7
(July 1 through December 31,) (Identical-in-Substance Rules)
1994))

Proposed Rule. Dismissal Order.

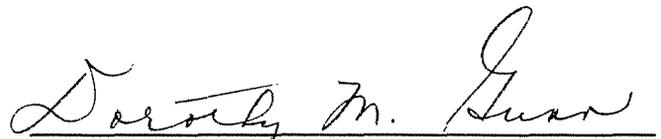

ORDER OF THE BOARD (by M. McFawn):

Section 22.4(d) of the Environmental Protection Act (Act) requires the Board to adopt regulations which are "identical in substance" to underground storage tank (UST) regulations promulgated by U.S. EPA pursuant to Section 9003 of RCRA to implement Subtitle I of RCRA, with certain limitations. U.S. EPA has codified its UST regulations at 40 CFR 281 through 283. Today the Board reserves this docket for any UST amendments adopted by U.S. EPA between July 1 and December 31, 1994.

During that time period, U.S. EPA did not amend its UST regulations in any way that would require Board action. Therefore, the Board hereby dismisses this docket this same day.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, do hereby certify that the above order was adopted on the 16th day of March, 1995, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
