Respondent.)	

ORDER OF THE BOARD (by J. Theodore Meyer):

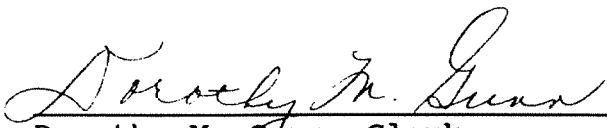

On October 22, 1993, UNO-VEN Company (UNO-VEN) filed a petition for variance. UNO-VEN also filed a motion for leave to waive the filing requirements.

UNO-VEN requests a waiver of the requirement to file an original and nine copies of exhibits D and E. UNO-VEN notes that these exhibits are part of the record in R93-8, In the Matter of: Site-Specific Petition of UNO-VEN to Amend Regulations Pertaining to Water Pollution. UNO-VEN contends that these exhibits are bulky and already available to the Board. UNO-VEN notes that submitting 10 copies would unduly burden the Board's files and use an extraordinary amount of paper. UNO-VEN has filed two copies of exhibits D and E.

The Board grants the waiver of requirement to file ten copies of exhibits D and E. The Board accepts the petition for variance. As UNO-VEN has waived its right to hearing, the Board will wait for the recommendation from the Environmental Protection Agency before proceeding on the petition for variance.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 4th day of November, 1993, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
