ORDER OF THE BOARD (by M.McFawn):

On June 7, 1995, General Motors Corporation, Powertrain Division (GM) filed a status report pursuant to the Board's order of January 11, 1995. GM reports that in addition to resolving one of the major issues through the receipt of a final, site-specific rule on January 11, 1995 in R93-13, the parties hope to resolve the remaining issues through settlement negotiations. GM believes there is no compelling reason to hold a hearing at this time, and has accordingly, filed a statutory decision waiver until October 29, 1996.

On January 11, 1995 we entered a stay in this case until July 1, 1995 and we therefore direct that all future extensions of the stay and status reports be filed at the discretion of the hearing officer.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 29<sup>th</sup> day of June, 1995, by a vote of 4-0.

  
Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
